### Product Description

Improve posture, promote proper eye alignment and support neck and shoulder comfort with the Kensington SmartFit® One-Touch Height Adjustable Single Monitor Arm. Ergonomically designed to promote wellness and increase productivity, the SmartFit One-Touch Height Adjustable Single Monitor Arm incorporates Kensington's patented SmartFit technology to simplify proper fit and allows users to adjust the height, depth and angle of their monitors for individualized comfort. Stable at any monitor position, users can easily switch from landscape to portrait mode. An ideal monitor arm for the modern office and a perfect complement to the SmartFit Sit/Stand Desk (K52804WW).

### Features

- SmartFit® System simplifies ideal ergonomic height positioning using scientifically proven research to support proper fit.
- One-Touch Adjustable Arm with Built-In Gas Spring simplifies height adjustment (6.7"-19.9" or 170mm-505mm), provides 180° swivel and monitor rotation, +/- 90° tilt adjustment, and allows monitor to smoothly move up, down, forward and back for full motion articulation.
- Stability Focused Design supports 13"-32" flat or curved monitor weighing up to 19.8lbs (9kg) and ensures monitor is stable and steady in any position.
- Easy to Install with included quick release detachable VESA plate (75mm or 100mm), c-clamp (desktop thickness range: 0.39"-3.3" or 10mm-85mm) and grommet (diameter range: 0.41"-1.97" or 10.5mm-50mm) installation options, and included tool kit to simplify removal.
- Cable Management System keeps monitor cables organized for a tidier workspace.
- Kensington Durability meets ANSI/BIFMA performance and safety standards.
